Subject: Visitor Visa Application for Mamatha Eragappa

Dear Sir/Madam,

I am writing to apply for a visitor visa to New Zealand to visit my sister during her pregnancy. She is currently expecting her first child and experiencing significant nausea and other discomforts associated with her condition. I wish to provide her with the emotional and physical support she needs during this challenging time.

My sister is employed as a Software Engineer at SG Consulting Limited, and her husband, Praveen Shankarappa, is a resident of New Zealand, working as an Associate Consultant at Datacom. They reside at Flat 2, 4 Marei Road, Ellerslie, Auckland - 1061. They have graciously offered to sponsor my visit and have invited me to stay with them at their residence during my stay.

As a visitor, I will fully adhere to New Zealand's visitor visa rules and regulations. My primary intention is to assist my sister with daily tasks, provide care, and be a source of comfort to her during this crucial time.

I hold an Indian passport with the number **C6113381**. I kindly request your consideration of my application, as my presence will greatly benefit my sister and her well-being during this special time in her life.

If you require any additional information or documents, please do not hesitate to contact me at mamatha.e327@gmail.com.

Thank you for considering my application. I look forward to your positive response.

Yours faithfully,

Mamatha Eragappa
